The Planning Commission requires that all those in attendance who wish to address the Planning Commission first register on the Sign-In Sheet. Further, we require that all speakers be recognized by the presiding officer before addressing the Planning Commission. A Microphone is provided for those wishing to bring business before the body. Time limits may be established in instances where multiple speakers wish to be heard. Adherence to these rules will facilitate timely meetings, ensure orderly processes, promote opportunities for public discourse and allow more citizens to present their views.
