Our current alternate early voting center is the Department of Emergency Services located at 11400 PPG Road, SE, Cumberland. It is my recommendation that we continue with this location. It is a county-owned facility that is ADA compliant and is equipped with a hard-wired generator on the premises. Mr. James Pyles will serve as our point of contact. Following a short discussion, John Stakem, Board President, said he did not see any reason to change the alternate location at this time.

**Absentee Ballots at Polling Places:**
The State Board approved final regulations that allow voters to drop off an absentee ballot at an early voting center or a polling place. A yellow bag very similar to the provisional ballot bag will be used. We hope to have at least 2 bags sometime in early February for our election judge training. The remainder of the bags will be delivered sometime in March.
