vs.
Annual Totals

Regarding Denied/Issued Permits: John Kennard Land Use Permit Application (ref: #L-3166) was initially denied; a month later, the record was re-activated, revised, processed and issued. This action has generated an anomaly between 2015 Monthly Reports of Record (cumulative) and Annual Reports (database/software generated)

Discrepancy #2:
Monthly Totals
vs.
Annual Totals

Regarding Certificate of Occupancy (CO's): Four (4) CO's were issued under one Permit Record [Penntex Development, Winchester Court, LUP #L-3202]. Three (3) businesses within the multi-unit facility were issued COs in October 2015, and one CO was issued in the month of November 2015. Therefore, a total of four (4) CO's were issued under one Permit Record during CY 2015. This action will generate an anomaly between 2015 Monthly Reports of Record (cumulative) and Annual Reports (database/software generated). COs associated with this reporting anomaly are as follows: Petsmart, U.S. Cellular, Mattress Warehouse and Aspen Dental
