Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based On An Audit Of Financial Statements Performed In Accordance With *Government Auditing Standards*

To the Board of Allegany County Commissioners
Cumberland, Maryland

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of Allegany County, Maryland as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise Allegany County, Maryland's basic financial statements, and have issued our report thereon dated March 8, 2022. Our report includes a reference to other auditors who audited the financial statements of Allegany County Board of Education and Allegany County Library System, as described in our report on Allegany County, Maryland's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Allegany County, Maryland's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Allegany County, Maryland's internal control. Accordingly, we do not express an opinion on the effectiveness of Allegany County, Maryland's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Allegany County, Maryland's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink, appearing to read "Tamara Harrold, CPA".

**Independent Auditors' Report on Compliance for
Each Major Federal Program, Internal Control over
Compliance, and Schedule of Expenditures of Federal
Awards Required by the Uniform Guidance**

To the Board of Allegany County Commissioners
Cumberland, Maryland

Report on Compliance for Each Major Federal Program

We have audited Allegany County, Maryland's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Allegany County, Maryland's major federal programs for the year ended June 30, 2021. Allegany County, Maryland's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Allegany County, Maryland's basic financial statements include the operations of the Allegany County Board of Education and Allegany College of Maryland, which expended \$16,100,130 and \$13,963,568 in federal awards, respectively, which is not included in Allegany County, Maryland's schedule of expenditures of federal awards during the year ended June 30, 2021. Our audit, described below, did not include the operations of the Allegany County Board of Education because the component unit engaged other auditors to perform an audit in accordance with the Uniform Guidance.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Allegany County, Maryland's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain

reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Allegany County, Maryland's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Allegany County, Maryland's compliance.

Opinion on Each Major Federal Program

In our opinion, Allegany County, Maryland, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance, which is required to be reported in accordance with the Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as item 2021-001. Our opinion on each major federal program is not modified with respect to these matters.

Allegany County, Maryland's response to the noncompliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. Allegany County, Maryland's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Management of Allegany County, Maryland, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Allegany County, Maryland's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Allegany County, Maryland's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a

combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2021-001 to be a significant deficiency. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Allegany County, Maryland's response to the internal control over compliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Allegany County, Maryland's response was not subjected to the auditing procedures applied in the audit of compliance, and accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of Allegany County, Maryland, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise Allegany County, Maryland's basic financial statements. We issued our report thereon dated March 8, 2022, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

ALLEGANY COUNTY, MARYLAND
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED JUNE 30, 2021

Note 1.

Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal award activity of Allegany County, Maryland under programs of the federal government for the year ended June 30, 2021. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of Allegany County, Maryland, it is not intended to and does not present the financial position, changes in financial position, or cash flows of Allegany County, Maryland.

The accompanying Schedule of Expenditures of Federal Awards includes all financial activity of Allegany County Primary Government Unit only. The Financial Statements for the Allegany County Reporting Entity include the following component units in accordance with Governmental Accounting Standards Board (“GASB”) Statement 14 who are responsible for administering their own Federal programs and submitting their own Single Audit reports, if necessary.

- Allegany County Board of Education
- Allegany County Library System
- Allegany College of Maryland
- LaVale Sanitary Commission

Note 2.

Summary of Significant Accounting Policies

Expenditures reported on the schedule of expenditures of federal awards are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 3.

Oversight Agency

The Appalachian Regional Commission has been designated as the oversight audit agency for Allegany County, Maryland.

ALLEGANY COUNTY, MARYLAND

B. FINDINGS - FINANCIAL STATEMENTS AUDIT

None

C. FINDINGS AND QUESTIONED COSTS - MAJOR FEDERAL AWARD PROGRAMS AUDIT

2021-001 Reporting Compliance

Federal Program: United States Department of Treasury; Coronavirus Relief Fund
Program: CFDA No. 21.019

Criteria: The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200 (Uniform Guidance) requires all nonfederal entities to submit quarterly financial reporting that is supported by and reconciles to the entity's accounting system.

Condition: The County does not have internal controls in place for this requirement under this program to ensure continuing compliance with this requirement.

Context: During the course of our single audit testing procedures, we noted the County's quarterly financial reporting that was submitted for the period of July 1 through October 31, 2020 did not reconcile to the entity's accounting system.

Cause: Procedures to ensure compliance with Reporting requirements related to appropriate review and reconciliation under the Coronavirus Relief Fund program are not in place.

Effect: Federal funds could be expended that do not meet Uniform Guidance requirements.

Identification of a Repeat Finding: This is a repeat finding from the immediate previous audit. 2020-003.

ALLEGANY COUNTY, MARYLAND
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED JUNE 30, 2021

C. FINDINGS AND QUESTIONED COSTS - MAJOR FEDERAL AWARD PROGRAMS AUDIT

Auditor's Recommendation: We recommend that the County 1) develop more stringent procedures to ensure internal controls are developed to make sure all compliance requirements are met as outlined in the Uniform Guidance, and 2) incorporate ongoing grant training for personnel to stay current with all federal grant requirements including Uniform Guidance.

Views of Responsible Officials and Planned Corrective Actions: We have hired a grants manager who will be tasked with developing procedures to ensure that we are complying with the terms of all grant programs. The grants manager will also be developing internal control procedures over grant funding.
